SELweb EE and Second Step OST Program Alignment

SELweb Early Elementary (EE) is a direct assessment of key social-emotional competencies, including: emotion recognition, social perspective-taking, social problem-solving, and self-control. **Second Step Out-of-School Time (OST)** lesson plans are designed to foster these competencies. This document describes alignment between SELweb and the targets of instruction in the Second Step OST lesson plans. Each row reflects a specific lesson. Each column reflects a competence measured by SELweb. A checkmark (✓) indicates that a specific SELweb competence is a target of instruction in the indicated lesson.
